## Cultural Exchange Program

To teach native language and tradition to the second generation of foreign-born children is the matter of concern and pride to the parents (either father or mother is a foreign native), NRNA Korea initiated SATURDAY SCHOOL “Multicultural Children’s Native Language Education and Cultural Exchange Program” to the new generation of Korea born children. NRNA Korea started this program on Jan 15, 2022. In this program, teachers (Korean or Nepali) who are experts of different cultures facilitate the students to learn the language, tradition, and values of native countries.
